Model(s): See page 2
Testing basis: EN 14511-2+4:2018, EN 14825:2018, EN 16147:2017, EN 12102-1:2017
KEYMARK Certification Scheme for Heat Pumps, Revision No. 7 (2019-09-24)

Mark of conformity: 

Registration no.: **037-0058-20**

Right of use: This certificate entitles the Holder to use the mark of conformity shown above
in conjunction with the specified registration number.
See Heat Pump KEYMARK database for detailed information.

Valid until: **2028-02-28**
To check the validity of this certificate, please visit www.szutest.cz

On the basis of the examination of technical documentation submitted, the verifications and tests carried out and based on the audit of the established factory production control system, the Engineering Test Institute, Public Enterprise, hereby attests that the characteristics of the sample of the product concerned have been found conforming to the requirements of KEYMARK Certification Scheme for Heat Pumps, Revision No. 7 (2019-09-24),

and that the Manufacturer has adopted the measures necessary to ensure conformity to those requirements of all the products being placed on the market.

This Certificate has been issued on the basis of Final Report 32-10344/11/TZ of 2020-03-20, issued by the Engineering Test Institute, Public Enterprise. The Final Report contains the conclusions drawn from assessments and the data necessary for identification of the product.

The Certificate remains valid provided the Holder does not infringe the rules laid down for the use of the Certificate. The rules for using the Certificate are defined overleaf.

Brno, 2020-04-09

Ing. Aleš Onderek
Deputy Head
of Certification Body
